TABLEAU SOFTWARE
END USER LICENSE AGREEMENT ("EULA")

BY CHECKING THE ACCEPTANCE BOX OR INSTALLING OR USING ALL OR ANY PORTION OF THE SOFTWARE, YOU ARE ACCEPTING ALL OF THE TERMS AND CONDITIONS OF THIS AGREEMENT AS PUBLISHED ON TABLEAU'S WEBSITE AT WWW.TABLEAU.COM (AS MAY BE RELOCATED BY TABLEAU FROM TIME TO TIME). YOU AGREE THAT THIS AGREEMENT IS ENFORCEABLE LIKE ANY WRITTEN AGREEMENT SIGNED BY YOU AND LEGALLY BINDING BETWEEN YOU AND TABLEAU SOFTWARE, INC. OR THE APPLICABLE TABLEAU AFFILIATE ("TABLEAU"). IF YOU DO NOT AGREE TO ALL OF THESE TERMS AND CONDITIONS, DO NOT INSTALL THE SOFTWARE. IF YOU WISH TO USE THE SOFTWARE AS AN EMPLOYEE, CONTRACTOR, OR AGENT OF A CORPORATION, PARTNERSHIP OR SIMILAR ENTITY, THEN YOU MUST BE AUTHORIZED TO SIGN FOR AND BIND THE ENTITY IN ORDER TO ACCEPT THE TERMS OF THIS AGREEMENT AND YOU REPRESENT AND WARRANT THAT YOU HAVE THE RIGHT AND AUTHORITY TO DO SO. IN THE EVENT YOU ARE REDIRECTED TO TABLEAU'S WEBSITE, YOU AGREE THAT YOUR USE IS SUBJECT TO ANY TERMS OF SERVICE POSTED THEREON.

This End User License Agreement ("Agreement") is between Tableau and the customer (individual or entity) that has downloaded or otherwise procured the licensed Software (as defined below) for use as an end user ("you"). This Agreement applies only to Software, Support and Maintenance Services, and Professional Services, as referenced herein.

1. Definitions.

Affiliate: means each legal entity that is directly or indirectly controlled by you on or after the Effective Date and for so long as such entity remains directly or indirectly controlled by you (where "controlled" means the ownership of, or the power to vote, directly or indirectly, a majority of the class of voting securities of a corporation or limited liability company, or the ownership of any general partnership interest in any general or limited partnership).

Authorized User: means those licensed uniquely identified individuals who are authorized by you to install and/or use the Software regardless of whether those individuals are actively using the Software at any given time. Licenses granted on an Authorized User basis may be reassigned between uniquely identified individuals over time, but may not be reassigned so frequently as to enable the sharing of a single license between multiple users.

Contractor: means those independent third parties who perform services related to this Agreement for you, but solely to the extent they are acting on your behalf.

Customer Data: data generated by you or your Authorized User and used by or imported into the Software, but excludes data generated by a Client Sublicensee unless such data is combined with your data or is relevant to your provision of services to such Client Sublicensee.

Documentation: means any supporting product help and technical specifications documentation provided by Tableau with the Software to you. Documentation does not include white papers, community forums, training videos, tutorials, Knowledge Base articles or other similar resources which may be made available for your convenience.

Effective Date: means the date of your first Ordering Document or the initial Delivery date of the Software (whichever is earlier).

License Term: means the Software license term specified on the applicable Ordering Document or by an Authorized Partner. The License Term may be a fixed term, a limited term for Evaluation Versions, or perpetual.

Ordering Document: means any order on a Tableau order form which references this Agreement. Each Ordering Document which references this Agreement shall be deemed a part of this Agreement.

Software: means the proprietary Tableau software product(s) provided in connection with this Agreement in object code form (or as otherwise specified in any related Ordering Document), as more fully described in the Documentation. "Software" shall also include any Support and Maintenance Services releases provided to you under this Agreement. Unless otherwise noted, the Software and Documentation are referred to collectively herein as "Software". All undefined names of Software products have the meanings given to them in the Documentation.

2. Tableau Software Products.

2.1 Tableau Software. In order to use the Software under this Agreement, you must activate your copy of the Software with the valid license key(s) or activation code(s) provided to you ("Product Key") at the time of purchase and/or submit a uniquely identifiable user registration when prompted, in accordance with the scope of use and other terms specified for each type of Software, the Documentation, and as set forth in this Section 2 of this Agreement. Except as set forth herein, any terms which apply to a Software product (such as Tableau Server) also apply to any add-on features to that Software product.

2.2 Usage Metrics. Your license to Tableau Software will be subject to either User-Based or Core-Based restrictions, as identified on the applicable Ordering Document, or if there is no Ordering Document, as otherwise designated by Tableau.

2.2.1 User-Based License: If your Software license is designated as User-Based, the total count of Authorized Users enabled to use such Software must not exceed the number of licenses purchased on the applicable Ordering Document(s) or received by you from Tableau, including to the extent applicable, across all Production and Non-Production Environments. Your purchase of "User-Based" Server licenses may be further specified on the applicable Ordering Document as included in a specified Software package, and the technical capabilities available to each Authorized User shall be as set forth in the Documentation.

2.2.2 Core-Based License: If your Software license is designated on the applicable Ordering Document as Core-Based, for each such license an unlimited number of Authorized Users may use the Software as set forth in the Documentation (until Core capacity is reached), provided that the total number of Cores made available to each installation of the Software does not exceed the permitted number of Cores identified on your Ordering Document. When the Software is installed and distributed across multiple computers, all Cores made available to the Software from each computer count toward to the total number of Cores licensed by you and identified on your Ordering Document. "Core" means the processor or execution core within a computer's central processing unit, whether such Cores are virtual or physical. For purposes of Core-Based licenses, Authorized Users do not need to be uniquely identified.

2.3 Software Packages. If you purchased or received a license to a Software product or package, such access and technical capabilities are as set forth in the Documentation and Ordering Document. For the avoidance of doubt, if you purchased or received a license to a Software package, each such Software package which is User-Based may be used only by a single Authorized User, and may not be shared by multiple Authorized Users.

3. License.

3.1 Grant of License. Subject to all of the terms and conditions of this Agreement, and except as set forth in Section 6 (Term and Termination), during the applicable License Term, Tableau grants you a limited, worldwide, non-transferable, non-sublicensable (except as permitted under Section 3.7), non-exclusive license to use the Software for which you have been issued a Product Key by Tableau or an Authorized Partner, but only in accordance with: (a) the Documentation; (b) the restrictions in Section 2 (Tableau Software Products), Section 3.9 (License Restrictions) and any restrictions on the applicable Ordering Document; and (c) the number of Authorized Users and/or permitted number of Cores (as applicable), on the platforms and configurations or any other restrictions mutually agreed upon by you and an Authorized Partner. You may allow your Contractors and Affiliates to use the Software in accordance with this Agreement, provided you shall remain liable for all acts and omissions of your Affiliates and Contractors as if their acts or omissions were your own.

3.2 Sample Code. Subject to the terms and conditions of this Agreement, during the applicable License Term, Tableau grants you a limited, worldwide, non-transferable, non-sublicensable, non-exclusive license to modify any sample source code from the Software provided.

Tableau Software EULA (February 2019)
by Tableau to you ("Sample Code") solely for internal use for the purposes of designing, developing, testing and otherwise facilitating your use of the Software under this Agreement.

3.3 Production and Non-Production Environments:

3.3.1 Production Environments. As it relates to the Server Software, your use of the Software for the purpose of developing, creating, sharing, viewing and/or revising visualizations is considered use within a "Production Environment" and you are entitled to one (1) Production Environment for each Server Software license you purchase under this Agreement. Your use of the Server Software in a Production Environment allows for a single Production Environment regardless of the fact that single Production Environment may consume all the Cores identified on your Ordering Document.

3.3.2 Non-Production Environments: You may use the Server Software in a technical environment and on the platforms and configurations specified in the Documentation, solely for internal development and testing in connection with the functionality of your licensed Software, or for disaster recovery purposes ("Non-Production Environment"). For the avoidance of doubt, development of visualizations and any similar content creation is not a permitted use for the Non-Production Environment. Your installation, activation or use of a copy of the Software in a Non-Production Environment is limited to the same number of Authorized Users and/or permitted number of Cores and/or computers as provided under Section 3.1 above. Your use of the Server Software in a Non-Production Environment is concurrent with your use of the licensed Software in a Production Environment and such use is conditioned on you having an authorized license for the Software. You are only entitled to two (2) Non-Production Environments under this Agreement. Any additional licenses for Non-Production Environments other than that described in this Section 3.3 can be purchased by you and shall be subject to the additional terms and conditions contained in the applicable Ordering Document.

3.4 Archive Copies. You are entitled to make a reasonable number of copies of the Software for archival purposes.

3.5 Third-Party Code. The Software may contain or be provided with components which are licensed from third parties ("Third Party Code"), including components subject to the terms and conditions of "open source" software licenses ("Open Source Software"). Open Source Software may be identified in the Documentation, or in a list of the Open Source Software provided to you upon your written request. To the extent required by the license that accompanies the Open Source Software, the terms of such license will apply in lieu of the terms of this Agreement with respect to such Open Source Software, including, without limitation, any provisions governing access to source code, modification or reverse engineering.

3.6 Electronic Delivery. All Software and Documentation shall be delivered by electronic means unless otherwise specified on the applicable Ordering Document. Software shall be deemed delivered when it is made available for download by you ("Delivery").

3.7 Client Sublicensees. You may permit third parties ("Client Sublicensees") to access the Server Software as Authorized Users on your servers but only so the Client Sublicensees may: (a) interact with visualizations generated by you through your use of the Software and based on Customer Data, or (b) themselves create visualizations using Customer Data, provided that in each case such Customer Data is relevant to your provision of services to that particular Client Sublicensee ("Visualization Access") and further provided that you, in providing your Client Sublicensee Visualization Access, are not acting as "Marketing Service Provider", "Service Bureau" or other entity with a similar business model. Client Sublicensees may not publish their own work and therefore you shall be liable for all acts and omissions of your Client Sublicensees as if their acts or omissions were your own.

3.8 Evaluation Version ("Evaluation Version"): If you ordered a license to an Evaluation Version, you may install and use one copy of the Evaluation Version solely for the purpose of evaluating the Software to determine whether to purchase a non-Evaluation Version copy of the Software. You may not use the Evaluation Version for any other purposes, including but not limited to competitive analysis, commercial, professional, or for-profit purposes. All additional licenses for the Evaluation Version are non-refundable and not redeemable. The Evaluation Version may become inoperable and, in any event, your right to use the Evaluation Version automatically expires at the end of the Evaluation Period. Notwithstanding any other provision of this Agreement, the Evaluation Version Software is provided "AS IS" without warranty or support of any kind, express or implied. Tableau may terminate your license to the Evaluation Version Software upon written notice at any time for any reason and without liability of any kind.

4. Ownership. Notwithstanding anything to the contrary contained herein, except for the limited license rights expressly provided herein, Tableau and its licensors have and will retain all copyright, patent, trade secret and other intellectual property rights, title and interest (including, without limitation, all patent, trademark, trade secret and other intellectual property rights contained herein, except for the limited license rights expressly provided herein, Tableau and its licensors have and will retain all copyright, patent, trade secret and other intellectual property rights, title and interest (including, without limitation, all patent, trademark, trade secret and other intellectual property rights contained herein, except for the limited license rights expressly provided herein, Tableau and its licensors have and will retain all copyright, patent, trade secret and other intellectual property rights, title and interest (including, without limitation, all patent, trademark, trade secret and other intellectual property rights contained herein, except for the limited license rights expressly provided herein, Tableau and its licensors have and will retain all copyright, patent, trade secret and other intellectual property rights, title and interest (including, without limitation, all patent, trademark, trade secret and other intellectual property rights contained herein, except for the limited license rights expressly provided herein, Tableau and its licensors have and will retain all copyright, patent, trade secret and other intellectual property rights, title and interest (including, without limitation, all patent, trademark, trade secret and other intellectual property rights contained herein, except for the limited license rights expressly provided herein, Tableau and its licensors have and will retain all copyright, patent, trade secret and other intellectual property rights, title and interest (including, without limitation, all patent, trademark, trade secret and other intellectual property rights contained herein, except for the limited license rights expressly provided herein, Tableau and its licensors have and will retain all copyright, patent, trade secret and other intellectual property rights, title and interest (including, without limitation, all patent, trademark, trade secret and other intellectual property rights contained herein, except for the limited license rights expressly provided herein, Tableau and its licensors have and will retain all copyright, patent, trade secret and other intellectual property
rights) in and to the Software, Sample Code, Third Party Code, Deliverables, and all copies, modifications and derivative works thereof (including any and all copies which incorporate any of your ideas, feedback or suggestions). You acknowledge that you are obtaining only a limited license right to the Software, Sample Code, Third Party Code and that irrespective of any use of the words “purchase”, “sale” or like terms hereunder membership rights are being conveyed to you under this Agreement or otherwise.

5. Payment. You shall pay all fees associated with the Software licensed and any services purchased hereunder as set forth in the applicable Ordering Document. All payments shall be made in the currency noted on the applicable Ordering Document within thirty (30) days of receipt of the applicable electronic invoice. Except as expressly set forth herein, all fees are non-refundable once paid. Unless timely provided with a valid certificate of exemption or other evidence that items are not taxable, Tableau will invoice you for all applicable taxes including, but not limited to, VAT, GST, sales tax, occupation tax and severance tax. If any withholding tax is required by applicable law to be paid by you in relation to payments due to Tableau hereunder, you will provide Tableau with official receipts and/or certificates from the appropriate taxing authorities to establish that any applicable taxes have been paid.

6. Term and Termination.

6.1 Term of License. Unless sooner terminated as provided herein, your license to Software expires at the end of the applicable License Term. LicenseTerms may be renewed in an Ordering Document or as otherwise mutually agreed by the parties.

6.2 Term of Agreement. This Agreement commences on the Effective Date and expires at such time as all License Terms and service subscriptions hereunder have expired in accordance with their own terms (the “Term”). Either party may terminate this Agreement (including all related Ordering Documents) (a) if the other party fails to cure any material breach of this Agreement within thirty (30) days after written notice of such breach including without limitation your failure to pay, provided that Tableau may terminate this Agreement and the Software license(s) (including termination of the Software license(s) if this Agreement has already expired or has been terminated) immediately upon any breach of Section 3.9 (License Restrictions) (b) if the other party ceases operation without a successor; (c) in order to comply with applicable laws, regulations, or requirements, and applicable foreign import and export controls; or (d) if the other party seeks protection under any laws, regulations, and requirements, and applicable foreign import and export controls; and (e) to any maps created using the Software (“Maps”), such functionality is provided purely for reference purposes. Tableau makes every effort to ensure the Maps are free of errors but does not warrant the Maps or Map features are accurate. The boundaries and names shown and the designations used in the Maps do not imply official endorsement or acceptance by Tableau.

7.3 Mutual Warranties. Both parties hereto warrant to the other that: (a) it has the authority to enter into the Agreement, to grant the rights granted by it under the Agreement, and to perform its obligations under the Agreement; and (b) it will comply with all applicable laws and regulations in effect during the term of the Agreement as they apply to such party’s rights obligations under the Agreement.

7.4 Disclaimer of Warranties. THIS SECTION 7 IS A LIMITED WARRANTY AND, EXCEPT AS EXPRESSLY SET FORTH IN THIS SECTION 7, THE SOFTWARE, INCLUDING WITHOUT LIMITATION THE MAPS AND THE THIRD-PARTY CODE, AND ALL SERVICES ARE PROVIDED “AS IS”. NEITHER TABLEAU NORT ITS LICENSORS MAKES ANY OTHER WARRANTIES, CONDITIONS OR UNDERTAKINGS, EXPRESS OR IMPLIED, STATUTORY OR OTHERWISE, INCLUDING BUT NOT LIMITED TO WARRANTIES OF THE MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NONINFRINGEMENT. YOU MAY HAVE OTHER STATUTORY RIGHTS. HOWEVER, TO THE FULL EXTENT PERMITTED BY LAW, THE DURATION OF STATUTORY REQUIRED WARRANTIES, IF ANY, SHALL BE LIMITED TO THE WARRANTY PERIOD.

8. Support & Maintenance. Subject to the terms and conditions of this Agreement, including payment of any applicable fees, Tableau shall provide support and maintenance services for the Software for the period set forth in the Ordering Document, pursuant to Tableau’s then-current Support and Maintenance Policies (“Support and Maintenance Services”). All Support and Maintenance Services renewals will be subject to the terms and conditions of this Agreement including Tableau’s then-current Support and Maintenance Policies.

9. Professional Services. Tableau shall provide the number of hours of professional consulting or training services (“Professional Services”) purchased in the applicable Ordering Document or online ordering process. No Software license purchases are contingent on any Professional Services. You will reimburse Tableau for all reasonable travel and lodging expenses as incurred.

10. Limitation of Remedies; Indemnification and Damages.

10.1 BUT FOR: (A) EITHER PARTY'S BREACH OF SECTION 11 (USE OF CONFIDENTIAL INFORMATION), (B) VIOLATION OF SECTION 3.7 (CLIENT SUBLICENSEES), SECTION 3.9 (LICENSE RESTRICTIONS) OR SECTION 12 (EXPORT COMPLIANCE), OR (C) DAMAGES ARISING OUT OF CLIENT SUBLICENSEES' USE OF THE SOFTWARE IN VIOLATION OF SECTION 3.7, THEN NEITHER PARTY SHALL BE LIABLE FOR ANY LOSS OF USE, LOST DATA, FAILURE OF SECURITY MECHANISMS, INTERRUPTION OF BUSINESS, OR ANY INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES OF ANY KIND (INCLUDING LOST PROFITS OR COSTS OF COVER), REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE),
10.2 BUT FOR: (A) EITHER PARTY'S BREACH OF SECTION 11.1 (USE OF CONFIDENTIAL INFORMATION), (B) YOUR BREACH OF SECTION 17.2 (CLIENT SUBLICENSEE), SECTION 19 (LICENSE RESTRICTIONS), OR SECTION 12 (EXPORT COMPLIANCE), OR (C) DAMAGES ARISING OUT OF CLIENT SUBLICENSEE’S USE OF THE SOFTWARE, INCLUDING YOUR INFORMATION OBLIGATIONS UNDER SECTION 10.5, EACH PARTY'S ENTIRE LIABILITY UNDER THIS AGREEMENT SHALL NOT EXCEED THE LESSER OF (I) FEES PAID OR OWED BY YOU UNDER THIS AGREEMENT DURING THE TWELVE MONTHS PRECEDING THE CLAIM, OR (II) USD$200,000. IN THE CASE WHERE NO AMOUNT WAS PAID FOR THE SOFTWARE OR SERVICE GIVING RISE TO THE CLAIM, TABLEAU AND ITS LICENSORS' ENTIRE LIABILITY TO YOU UNDER THIS AGREEMENT SHALL NOT EXCEED USD$100.

10.3 The parties agree that the limitations specified in this Section 10 will survive and apply even if any limited remedy specified in this Agreement is found to have failed of its essential purpose.

10.4 Tableau Indemnification: Tableau shall defend you from and against any claim by a third party alleging that the Software when used as authorized under this Agreement infringes a U.S. patent, U.S. copyright, or U.S. trademark and shall indemnify and hold you harmless against any damages awarded against you or agreed in settlement by Tableau (including reasonable attorneys' fees) resulting from such claim, provided that Tableau shall have received from you: (a) prompt written notice of such claim (but in any event no later than a sufficient time for Tableau to respond, without prejudice); (b) the exclusive right to control and direct the investigation, defense, and settlement (if applicable) of such claim; and (c) all reasonably necessary cooperation from you. If your use of the Software is or in Tableau's opinion is likely to be challenged, if required by settlement or if Tableau determines such actions are reasonably necessary to avoid material liability, Tableau may, in its sole discretion: (i) substitute for the Software substantially functionally similar programs and documentation; (ii) procure for you the right to continue using the Software; or if (i) and (ii) are not commercially reasonable, (iii) terminate this Agreement and refund to you any prepaid, unused license fees for the duration of the then-current License Term (or, if your License Term is perpetual, your refund will equal the license fee paid by you as reduced to reflect a five year straight-line depreciation from the applicable license purchase date). The foregoing obligations of Tableau shall not apply: (1) if the Software is modified by any party other than Tableau, but solely to the extent the alleged infringement is caused by such modification; (2) if the Software is combined with products or processes not provided or authorized by Tableau, but solely to the extent the alleged infringement is caused by such combination; (3) to any unauthorized use of the Software; (4) to any unauthorized import of the Software; (5) to any Third-Party Content contained within the Software; or (6) if you settle or make any admissions with respect to a claim without Tableau’s prior written consent. THIS SECTION 10 SETS FORTH TABLEAU’S AND ITS LICENSORS’ LIABILITY AND YOU SOLE AND EVERY REMEDY WITH RESPECT TO ANY CLAIM OF INTELLECTUAL PROPERTY INFRINGEMENT.

10.5 Indemnification by You. Subject to this Section 10, you shall defend Tableau from and against all claims by third parties (including any Client Sublicenses and Contractors) resulting from or relating to: (a) any breach by you of Section 17.7 (Client Sublicenses), or (b) Client Sublicenses' use of the Software, and shall indemnify and hold Tableau harmless from and against any damages and costs awarded against Tableau or agreed in settlement by you (including reasonable attorney's fees) resulting from such claims, provided that you shall have received from Tableau: (i) prompt written notice of such claim (but in any event notice in sufficient time for you to respond without prejudice); (ii) the exclusive right to control and direct the investigation, defense, and settlement (if applicable) of such claim; and (iii) all reasonably necessary cooperation from Tableau. You may not settle any such claim relating to the Software without Tableau’s prior written consent, which shall not be unreasonably withheld, conditioned or delayed.

11. Confidential Information.

11.1 Use of Confidential Information. Each party agrees that all code, inventions, know-how, business, technical and financial information, trade secrets, trade names, product names, logos, trademarks, and copyrights (collectively, “Confidential Information”) that either party discloses to the other party (collectively, “Disclosing Party”) constitute the confidential property of the Disclosing Party ("Confidential Information"), provided that it is identified as confidential at the time of disclosure or should be reasonably known by the Receiving Party to be Confidential Information due to the nature of the information disclosed and the circumstances surrounding the disclosure. Any software (including Software), pricing, documentation or technical information disclosed by Tableau (or its agents), performance information relating to the Software, and the terms of this Agreement shall be deemed Confidential Information of Tableau without any marking or further designation. Except as expressly provided, either Party will hold in confidence and not disclose any Confidential Information to anyone other than its affiliates, employees and consultants (“Representatives”) who have a need to know and who agree in writing to keep the information confidential on terms no less restrictive than those contained in this Agreement. Both Tableau and you will ensure that their respective Representatives comply with this Agreement and will be responsible for any unauthorized use or disclosure of Confidential Information by such Representatives. Tableau's nondisclosure obligation shall not apply to information which the Receiving Party can document: (a) was rightfully in its possession or known to it prior to receipt of the Confidential Information; (b) is or has become public knowledge through no fault of the Receiving Party; (c) is rightfully obtained by the Receiving Party from a third party without breach of any confidentiality obligation; (d) is independently developed by employees of the Receiving Party who had no access to such information; or (e) is required to be disclosed pursuant to a regulation, law or court order (but only to the minimum extent required to comply with such regulation or order and with advance notice to the Disclosing Party). The Receiving Party acknowledges that disclosing Confidential Information and costs associated with such disclosure, may result in substantial harm for which damages alone would not be a sufficient remedy, and therefore that upon any such disclosure by the Receiving Party, the Disclosing Party shall be entitled to seek appropriate equitable relief in addition to whatever other remedies it might have at law.

11.2 Privacy Policy: Your use of the Software, Support and Maintenance or Professional Services is subject to Tableau's Privacy Policy, a current version of which is available here: https://www.tableau.com/privacy.

12. Export Compliance. You acknowledge that the Software is subject to United States export control and economic sanctions laws, regulations, and requirements, and to import laws, regulations, and requirements of foreign governments. You agree that (1) all use, exports, and imports related to this Agreement will be in compliance with these laws and regulations and (2) you shall not allow any third party to export, re-export, or transfer any part of Software in violation of these laws and regulations. The foregoing obligations include but are not limited to you or a third party exporting, transferring, or importing the Software to: (a) any country subject to export control embargo or economic sanctions implemented by any agency of the U.S. or foreign governments; (b) any person or entity on any of the U.S. or foreign governments; or (c) to any end-users, persons, or entities who are not located in the United States and who have not been properly authorized by the United States or foreign governments to receive Software pursuant to a regulation, law or court order (but only to the minimum extent required to comply with such regulation or order and with advance notice to the Disclosing Party). The Receiving Party’s nondisclosure obligation shall not apply to information which the Receiving Party can document: (a) was rightfully in its possession or known to it prior to receipt of the Confidential Information; (b) is or has become public knowledge through no fault of the Receiving Party; (c) is rightfully obtained by the Receiving Party from a third party without breach of any confidentiality obligation; (d) is independently developed by employees of the Receiving Party who had no access to such information; or (e) is required to be disclosed pursuant to a regulation, law or court order (but only to the minimum extent required to comply with such regulation or order and with advance notice to the Disclosing Party). The Receiving Party acknowledges that disclosing Confidential Information and costs associated with such disclosure, may result in substantial harm for which damages alone would not be a sufficient remedy, and therefore that upon any such disclosure by the Receiving Party, the Disclosing Party shall be entitled to seek appropriate equitable relief in addition to whatever other remedies it might have at law.

13.1 Assignment. This Agreement will bind and inure to the benefit of each party’s permitted successors and assigns. Tableau may assign this Agreement to any affiliate or in connection with a merger, reorganization, acquisition or other transfer of all or substantially all of Tableau's assets or voting securities. You may not assign or transfer this Agreement, in whole or in part, without Tableau’s written consent except that you may assign your rights and obligations under this Agreement, in whole but not in part, without Tableau’s written consent in connection with any merger, consolidation, sale of all or substantially all of your assets, or any other similarly authorized transaction provided that: (a) the assignee is not a direct competitor of Tableau; (b) you provide prompt written notice of such assignment to Tableau; (c) the assignee is capable of fully performing your obligations under this Agreement; and (d) you assignee agrees to be bound by the terms and conditions of this Agreement. Any attempt to transfer or assign this Agreement without such written consent will be null and void.

13.2 Severability. If any provision of this Agreement shall be adjudged by any court of competent jurisdiction to be unenforceable or invalid, that provision shall be limited to the minimum extent necessary so that this Agreement shall otherwise remain in effect.
13.3 Governing Law, Jurisdiction and Venue. Excluding conflict of laws rules, this Agreement shall be governed by and construed under: (a) the laws of the State of Washington, U.S. if you are located in North or South America, (b) the laws of Japan if you are located in Japan, (c) the laws of Singapore if you are located in Asia (excluding Japan) or Australia, or (d) the laws of England and Wales if you located outside of North or South America, Asia and Australia. All disputes arising out of or in relation to this Agreement shall be submitted to the exclusive jurisdiction of the courts of: (i) Seattle, Washington when the laws of Washington apply, (ii) Tokyo, Japan, when the laws of Japan apply, (iii) Singapore when the laws of Singapore apply, or (iv) London when the laws of England and Wales apply. Nothing in this section shall restrict Tableau’s right to bring an action (including for example a motion for injunctive relief) against you in the jurisdiction where your place of business is located. The United Nations Convention on Contracts for the International Sale of Goods and the Uniform Computer Information Transactions Act, as currently enacted by any jurisdiction or as may be codified or amended from time to time by any jurisdiction, do not apply to this Agreement.

13.4 Attorneys’ Fees and Costs. The prevailing party in any action to enforce this Agreement will be entitled to recover its attorneys’ fees and costs in connection with such action.

13.5 Notices and Reports. Any notice or report hereunder shall be in writing or in electronic format. If to Tableau by mail, such notice or report shall be sent to Tableau at 1621 N. 34th Street, Seattle, WA 98103 to the attention of “Legal Department”. If to Tableau by email, such notice or report shall be sent to: legal@tableau.com. If to you, such notice or report shall be sent to the mailing or email address you provided upon placing your order. Notices and reports sent by mail shall be deemed given: (a) upon receipt if by personal delivery; (b) upon receipt if sent by certified or registered mail (return receipt requested); or (c) one day after it is sent if by next day delivery by a major commercial delivery service. Any notices and reports sent by email shall be effective upon receipt of the same.

13.6 Amendments; Waivers. No supplement, modification, or amendment of this Agreement shall be binding, unless executed in writing by a duly authorized representative of each party to this Agreement. No waiver of any provision of this Agreement will be implied from conduct or failure to exercise rights under this Agreement, nor will any waiver be effective unless in a writing signed by a duly authorized representative on behalf of the party claimed to have waived. No provision of any purchase order or other business form, including any electronic invoicing portals, vendor registration processes, or forms related to individuals being on your premises for Professional Services, employed by you will supersede the terms and conditions of this Agreement, and any such document relating to this Agreement shall be for administrative purposes only and shall have no legal effect.

13.7 Entire Agreement. This Agreement is the complete and exclusive statement of the mutual understanding of the parties and supersedes and cancels all previous written and oral agreements and communications relating to the subject matter of this Agreement. Notwithstanding the foregoing, if you have entered into a separate written license agreement signed by Tableau for use of the Software, the terms and conditions of such other agreement shall prevail over any conflicting terms or conditions in this Agreement.

13.8 Independent Contractors. The parties to this Agreement are independent contractors. There is no relationship of partnership, joint venture, employment, franchise or agency created hereby between the parties. Neither party will have the power to bind the other or incur obligations on the other party’s behalf without the other party’s prior written consent.

13.9 Audit Rights. Upon Tableau’s written request, you shall certify in a signed writing that your use of the Software is in full compliance with the terms of this Agreement (including any User-Based and Core-Based limitations) and provide a current list of Authorized Users for User-Based licenses. With reasonable prior notice, Tableau may audit your use of the Software and compliance with this Agreement, software monitoring system and records, provided such audit is during regular business hours. If such inspections or audits disclose that you have installed, accessed or permitted access to or use of the Software in a manner that is not permitted under this Agreement, then Tableau may terminate this Agreement pursuant to Section 6 and you are liable for the reasonable costs of the audit in addition to any other fees, damages and penalties Tableau may be entitled to under this Agreement and applicable law.

13.10 Force Majeure. Neither party shall be liable to the other for any delay or failure to perform any obligation under this Agreement (except for a failure to pay fees) if the delay or failure is due to unforeseen events, which occur after the signing of this Agreement and which are beyond the reasonable control of the parties, such as strikes, blockade, war, terrorism, riots, peel, refusal of license by the government or other governmental agencies, in so far as such an event prevents or delays the affected party from fulfilling its obligations and such party is not able to prevent or remove the force majeure at reasonable cost.

13.11 Government End-Users. The Software is commercial computer software. If the user or licensee of the Software is an agency, department, or other entity of the United States Government, the use, duplication, reproduction, release, modification, disclosure, or transfer of the Software, or any related documentation of any kind, including technical data and manuals, is restricted by a license agreement or by the terms of this Agreement in accordance with Federal Acquisition Regulation 227.7202 for civilian purposes and Defense Federal Acquisition Regulation Supplement 227.7202 for military purposes. The Software was developed fully at private expense. All other use is prohibited.

13.12 Authorized Partner. If you received the Software under an agreement (“Partner Agreement”) with an authorized Tableau reseller, partner or OEM (“Authorized Partner”) then, notwithstanding anything to the contrary in this Agreement: (a) your use of the Software is subject to any additional terms in the Partner Agreement, including any limitations on use of the Software in conjunction with third-party applications; and (b) you agree to pay the Authorized Partner the fees agreed in the Partner Agreement and you have no direct payment obligations to Tableau for that purchase. If you breach any term of warranty and support terms stated in your Partner Agreement are different than what is stated in Section 7 or 8 herein, then Tableau has no warranty or support obligations to you under this Agreement (although the disclaimers of warranties in Section 7.4 still apply to you). If your warranty and support terms passed on in your Partner Agreement are as stated herein, then Section 7 and 8 shall apply to you as written. Notwithstanding anything in this Agreement to the contrary, (i) the Partner Agreement may not modify any of the remaining terms of this Agreement and (ii) the Partner Agreement is between you and the Authorized Partner and is not binding on Tableau. Tableau may terminate this Agreement (including your right to use the Software) in the event Tableau fails to receive payment for your use of the Software from the Authorized Partner or if you breach any term of this Agreement.

13.13 Third-Party Beneficiary. Tableau Software, Inc., its affiliates and its licensors may be third party beneficiaries of this Agreement. No other third party, including without limitation your Client Sublicensees or Contractors under Section 3.7, is intended to be a beneficiary of this Agreement entitled to enforce its terms directly.

13.14 Tableau’s Customer List. You agree that Tableau may disclose you as a customer of Tableau and use your name and logo on Tableau’s website and in Tableau’s promotional materials.

13.15 Language. Regardless of any language into which this Agreement may be translated, the official, controlling and governing version of this Agreement shall be exclusively the English language version.
