12.7 Entire Agreement. This Agreement is the complete and exclusive statement of the mutual understanding of the parties and supersedes and cancels all previous written and oral agreements and communications relating to the subject matter of this Agreement. The failure by either party to insist upon strict enforcement of any terms and conditions of this Agreement shall not be construed as a waiver of such right. This Agreement is subject to occasional revision, and if we make any substantial changes, we may notify you by sending you an e-mail to the last e-mail address you provided to us (if any) and/or by prominently posting notice of the changes on Tableau’s website. Any changes to this Agreement will be effective no later than thirty (30) calendar days following our posting of notice of the changes on Tableau’s website. If the user or licensee of the Public Software is an agency, department, or other entity of the United States Government, the use, duplication, reproduction, release, modification, disclosure, or transfer of the Public Software, or any related documentation of any kind, including technical data and manuals, is restricted by a license agreement or by the terms of this Agreement in accordance with Federal Acquisition Regulation 12.212 for civilian purposes and Defense Federal Acquisition Regulation Supplement 227.7202 for military purposes.
